Re: USA v. John Rohlman, 14 CR ~~862~~ ⁸⁵² (KMK)

Dear Judge Karas:

With the consent of the Government by AUSA John Rohlman, and probation this is a joint application to adjourn the above VOSR proceeding from September 15, 2021 to a date in late November. On May 20, 2021 Mr. Rohlman appeared on the violation petition, and he was ordered to participate in an in-patient drug treatment program. The matter was adjourned to September 15, 2021 to monitor his progress. As reported by U.S. Probation Officer Jason G. Lerman in an e-mail on September 10, 2021, Mr. Rohlman's counselor in the program advised that he is following the terms of his in-patient treatment program. He attends treatment as required and all drug tests have been negative. Further he has a job interview scheduled next week. As a discharge date from the program has not yet been set, there will not be a resolution of the violation petition on September 15, 2021.

Thank you for considering this application.

Respectfully submitted,

/S/ Joseph A. Vita
